MESSAGE

We are happy to learn that this year Vigilance Awareness Week is being observed from 29th October – 3rd November '2018 on the theme 'Eradicate Corruption - Build a New India (भ्रष्टाचार मिटाओ - नया भारत बनाओ)'.

Corruption is the enemy of development, and of good governance. It must be got rid of. To eradicate the corruption from the society all have to fight together. Both the government and the people at large must come together to achieve this national objective.

Active participation of individuals, general awakening and e-governance is of utmost importance in the fight against corruption. All sections of society should ensure that greater emphasis is laid on generating awareness among the public regarding the existence, causes and threat posed by corruption.

We wish the Vigilance Awareness Week 2018, all success and extend our greetings to the vigilance fraternity.

Let us work for eradication of corruption and build a new India.
